

The map shows the Obříství area, which is the focus of the wastewater treatment plant. The Vltava and Labe rivers are prominent features. The map includes labels for various locations, including Lužec n. Vltavou, Zálezlice, Chlumín, Újezdec, Neratovice, and Libiř. A red dashed line outlines the area of interest, and a green label 'C35' indicates the location of the plant. The map also shows the surrounding municipalities and the location of the plant relative to the rivers and other landmarks.
