Technical drawing of a road cross-section showing a 2.5% longitudinal slope. The drawing includes a profile view with a dashed line for the existing ground and a solid line for the proposed road grade. A shaded area represents the embankment. Key points are labeled with elevations and distances. A table at the bottom provides the data for the cross-section.

Technical drawing of a road cross-section showing a drainage ditch and a road surface. The drawing includes elevation points, a drainage ditch profile, and a road surface profile. Key features include a drainage ditch with a 2.5% slope, a road surface with a 2.5% slope, and a drainage ditch with a 2.5% slope. The drawing is labeled with "sjezd 6 DN400" and "silažnici vozovka".
