

The map is a detailed topographic representation of the Strakonice region. It features contour lines indicating elevation, with labels such as 'Horní položení' (Upper position) and 'Dlouhé položení' (Long position). The Sázava River is shown flowing through the center, with various tributaries and smaller water bodies like 'Panský rybník' (Pan's pond) and 'Panský náhon' (Pan's ditch). Place names are scattered throughout, including 'Razúcha', 'Strakov', 'Pozůcha', 'Lipovec', and 'Kamenice'. The map uses a color scheme where green represents forested areas and yellow represents open land. A prominent purple line outlines a specific area of interest, likely the 'Přírodní památka Sázava' (Natural Monument Sázava) mentioned in the text. The map also shows roads, railways, and other infrastructure.
